Kate,

As I indicated during our phone conversation a few minutes ago, I am looking to get a copy of your CV as well as the lab file(s) related to a case that is assigned to me in the Lawrence District Court. My contact information is below. The lab numbers are: [REDACTED]

The case was recently scheduled for a jury trial on 11/17/10 and you should be receiving a summons shortly. I am happy to leave you on phone notice, as I understand that the resources of the lab are limited. When you get a chance, could you please let me know the best phone number to reach you on the trial date? Thank you in advance for your assistance, and please let me know if you need any further information.

-Alexandra
